

DRESS REHEARSAL SCHEDULE

Dances are listed by their stage time, (when they are called on stage). Dancers must arrive in plenty of time to be in costume, hair, and makeup by their stage time (at least 15 minutes prior). We will practice finale at 6:15 Monday, Tuesday, and Wednesday and at 8:00 on Thursday. Dancers do not have to rehearse finale every night, but they should be there for at least one finale rehearsal. Your dancer will be free to leave when his or her dancers are finished rehearsing for the evening.
